

Experienced Weekend Barista

Contract: Be available to work Saturday and/or Sunday (day shifts)

Job Title: Experienced Part Time Barista

Are you passionate about fresh coffee? Do you have previous barista experience? Are you looking for a full or part time position? If so, we would love to hear from you as we're currently recruiting for an additional barista to join our friendly team.

Rosebourne is distinct from virtually all competitors thanks to its focus on four key areas: table service restaurant, fresh and locally sourced produce, high quality plants, and quality and unique gifts. We offer a full menu from breakfast through to afternoon tea with all food cooked fresh to order, with the emphasis being on good quirky presentation.

Our chefs work alongside the team from Owton's, our in-store butcher, our fresh produce team, who deliver daily from Southampton markets, and our food hall team to bring our customers a choice of delicious meals all with a seasonal touch.

We also serve a wide range of hot & cold drinks including Mozzo Coffee, hand roasted in Southampton every day and freshly prepared by our team using traditional barista machines.

The ideal candidate/s will:

- have previous barista experience
- be available to work Saturday and/or Sunday (day shifts)
- be confident in serving high volumes of fantastic coffees and other drinks
- have a passion for great coffee, food and excellent customer service

In return we offer a great working environment, good rates of pay, and a share of tips. If you are interested in joining the Rosebourne team, we would love to hear from you on team@rosebourne.co.uk or by completing the online application below.
